

Name

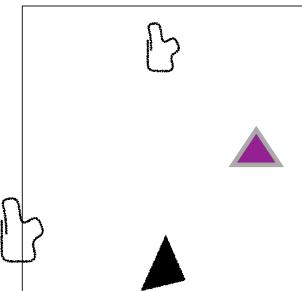

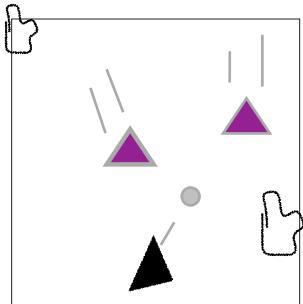

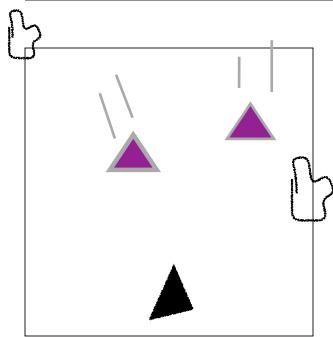

Date

Notes

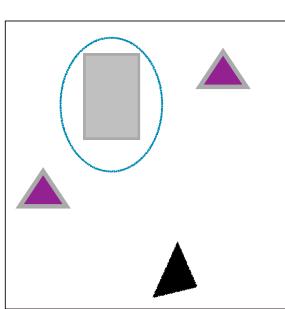

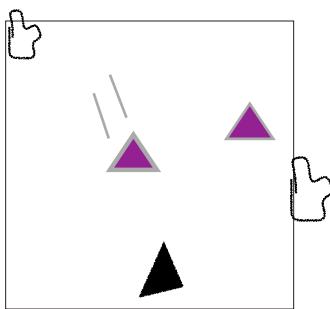

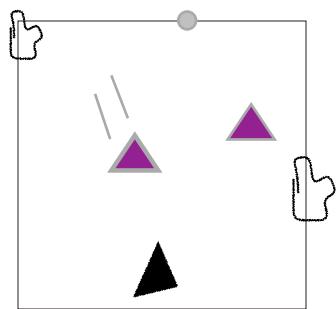

Asteroids have a slight effect on trajectory depending on size of asteroid.
They have mass!

Will use steering force

Notes

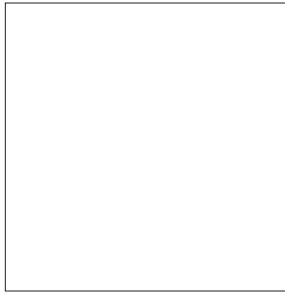

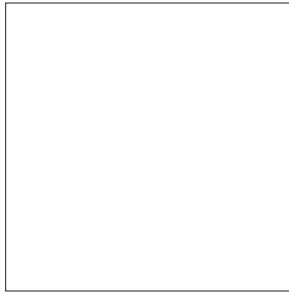

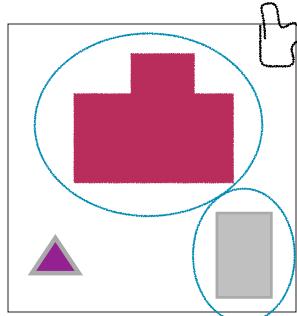

When enemy shot
bullet appears randomly somewhere

Notes

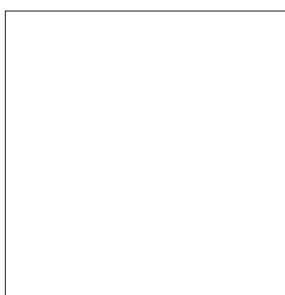

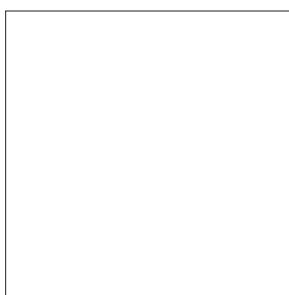

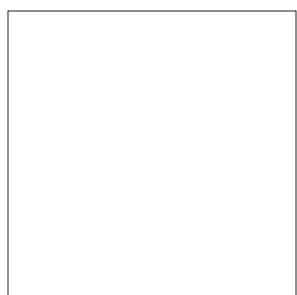

If miss you have to pick up the bullet
at the edge of the screen

Next tier of enemy has a shield
powered by the smaller ones.
This one shoots and you need to destroy the smaller
ones before the bigger one

Notes

Final level has bigger boss that is shielded by
big enemy that is shield by small enemy

Notes
